Re: Apple Bus Company
Case 19-CA-214770

Dear Mr. Marton:

The charge that you filed in this case on February 13, 2018 has been docketed as case number 19-CA-214770. This letter tells you how to contact the Board agent who will be investigating the charge, explains your right to be represented, discusses presenting your evidence, and provides a brief explanation of our procedures, including how to submit documents to the NLRB.

Investigator: This charge is being investigated by Field Attorney DAVID SCHAFF whose telephone number is (907) 205-3266. If this Board agent is not available, you may contact Deputy Regional Attorney MARTIN ESKENAZI whose telephone number is (206) 220-6289.

Right to Representation: You have the right to be represented by an attorney or other representative in any proceeding before us. If you choose to be represented, your representative must notify us in writing of this fact as soon as possible by completing *Form NLRB-4701, Notice of Appearance*. This form is available on our website, www.nlr.gov, or from an NLRB office upon your request.

If you are contacted by someone about representing you in this case, please be assured that no organization or person seeking your business has any "inside knowledge" or favored relationship with the National Labor Relations Board. Their knowledge regarding this proceeding was only obtained through access to information that must be made available to any member of the public under the Freedom of Information Act.

Presentation of Your Evidence: As the party who filed the charge in this case, it is your responsibility to meet with the Board agent to provide a sworn affidavit, or provide other witnesses to provide sworn affidavits, and to provide relevant documents within your possession. Because we seek to resolve labor disputes promptly, you should be ready to promptly present your affidavit(s) and other evidence. If you have not yet scheduled a date and time for the Board agent to take your affidavit, please contact the Board agent to schedule the affidavit(s). If you fail to cooperate in promptly presenting your evidence, your charge may be dismissed without investigation.

Preservation of all Potential Evidence: Please be mindful of your obligation to preserve all relevant documents and electronically stored information (ESI) in this case, and to take all steps necessary to avoid the inadvertent loss of information in your possession, custody or control. Relevant information includes, but is not limited to, paper documents and all ESI (e.g. SMS text messages, electronic documents, emails, and any data created by proprietary software tools) related to the above-captioned case.

Prohibition on Recording Affidavit Interviews: It is the policy of the General Counsel to prohibit affiants from recording the interview conducted by Board agents when subscribing Agency affidavits. Such recordings may impede the Agency's ability to safeguard the confidentiality of the affidavit itself, protect the privacy of the affiant and potentially compromise the integrity of the Region's investigation.

Procedures: We strongly urge everyone to submit all documents and other materials by E-Filing (not e-mailing) through our website, www.nlr.gov. However, the Agency will continue to accept timely filed paper documents. Please include the case name and number indicated above on all your correspondence regarding the charge. The Agency requests all evidence submitted electronically to be in the form it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native format (i.e., in a machine-readable and searchable electronic format). If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the charge.

Information about the Agency, the procedures we follow in unfair labor practice cases and our customer service standards is available on our website, www.nlr.gov or from an NLRB office upon your request. *NLRB Form 4541, Investigative Procedures* offers information that is helpful to parties involved in an investigation of an unfair labor practice charge.

We can provide assistance for persons with limited English proficiency or disability. Please let us know if you or any of your witnesses would like such assistance.

Very truly yours,

Re: Apple Bus Company
Case 19-CA-214770

Dear Ms. Cisco:

Enclosed is a copy of a charge that has been filed in this case. This letter tells you how to contact the Board agent who will be investigating the charge, explains your right to be represented, discusses presenting your evidence, and provides a brief explanation of our procedures, including how to submit documents to the NLRB.

Investigator: This charge is being investigated by Field Attorney DAVID SCHAFF whose telephone number is (907) 205-3266. If this Board agent is not available, you may contact Deputy Regional Attorney MARTIN ESKENAZI whose telephone number is (206) 220-6289.

Right to Representation: You have the right to be represented by an attorney or other representative in any proceeding before us. If you choose to be represented, your representative must notify us in writing of this fact as soon as possible by completing *Form NLRB-4701, Notice of Appearance*. This form is available on our website, www.nlr.gov, or from an NLRB office upon your request.

If you are contacted by someone about representing you in this case, please be assured that no organization or person seeking your business has any "inside knowledge" or favored relationship with the National Labor Relations Board. Their knowledge regarding this proceeding was only obtained through access to information that must be made available to any member of the public under the Freedom of Information Act.

Presentation of Your Evidence: We seek prompt resolutions of labor disputes. Therefore, I urge you or your representative to submit a complete written account of the facts and a statement of your position with respect to the allegations set forth in the charge as soon as possible. If the Board agent later asks for more evidence, I strongly urge you or your representative to cooperate fully by promptly presenting all evidence relevant to the investigation. In this way, the case can be fully investigated more quickly.

Full and complete cooperation includes providing witnesses to give sworn affidavits to a Board agent, and providing all relevant documentary evidence requested by the Board

agent. Sending us your written account of the facts and a statement of your position is not enough to be considered full and complete cooperation. A refusal to fully cooperate during the investigation might cause a case to be litigated unnecessarily.

In addition, either you or your representative must complete the enclosed Commerce Questionnaire to enable us to determine whether the NLRB has jurisdiction over this dispute. If you recently submitted this information in another case, or if you need assistance completing the form, please contact the Board agent.

We will not honor any request to place limitations on our use of position statements or evidence beyond those prescribed by the Freedom of Information Act and the Federal Records Act. Thus, we will not honor any claim of confidentiality except as provided by Exemption 4 of FOIA, 5 U.S.C. Sec. 552(b)(4), and any material you submit may be introduced as evidence at any hearing before an administrative law judge. We are also required by the Federal Records Act to keep copies of documents gathered in our investigation for some years after a case closes. Further, the Freedom of Information Act may require that we disclose such records in closed cases upon request, unless there is an applicable exemption. Examples of those exemptions are those that protect confidential financial information or personal privacy interests.

Preservation of all Potential Evidence: Please be mindful of your obligation to preserve all relevant documents and electronically stored information (ESI) in this case, and to take all steps necessary to avoid the inadvertent loss of information in your possession, custody or control. Relevant information includes, but is not limited to, paper documents and all ESI (e.g. SMS text messages, electronic documents, emails, and any data created by proprietary software tools) related to the above-captioned case.

Prohibition on Recording Affidavit Interviews: It is the policy of the General Counsel to prohibit affiants from recording the interview conducted by Board agents when subscribing Agency affidavits. Such recordings may impede the Agency's ability to safeguard the confidentiality of the affidavit itself, protect the privacy of the affiant and potentially compromise the integrity of the Region's investigation.

Procedures: We strongly urge everyone to submit all documents and other materials by E-Filing (not e-mailing) through our website, www.nlr.gov. However, the Agency will continue to accept timely filed paper documents. Please include the case name and number indicated above on all your correspondence regarding the charge. The Agency requests all evidence submitted electronically to be in the form it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native format (i.e., in a machine-readable and searchable electronic format). If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the charge.
